#### **Learning Mobility for Higher Education Students and Staff among EU Member States and third countries associated to the Programme**

##### **Information on Digital Inter-Institutional Agreements**

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the [Erasmus Charter for Higher Education](#) in all aspects related to the organisation and management of the mobility, including [automatic recognition](#) of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the [European Credit Transfer and Accumulation System](#). The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

##### **Grading systems of the institutions**

| Learning Agreement and course choices      | Exchange students will normally be permitted to enter courses at I BOLOGNA01 unless these courses are subject to restricted enrolments. The students must choose course units of the subject area under which they were nominated by home university and must have a Learning Agreement consistent with it. In order to check the availability of courses they would like to attend, they must contact the International Relations Office of their study field. Students need to pay attention to the campus which they have been nominated for, since Campus changes will be only exceptionally allowed, and only for verified academic needs. The University of Bologna does not require a mandatory number of ECTS for each term. For any queries regarding courses, academic calendar and lessons timetable, the students can refer to the International Relations Office of their study field | <a href="https://www.unibo.it/CourseUnits">https://www.unibo.it/CourseUnits</a> |
